

First day: Thursday, September 27, 2018

Location: University of Zagreb, Faculty of Geodesy, Kačićeva 26, Zagreb

9:00–10:00 Registration

10:00–11:00 Opening Ceremony

Program follows with SDI Days 2018 organized by the State Geodetic Administration

Detaljan program i sve prezentacije dostupni su na <http://www.nipp.hr/default.aspx?id=1904> i <http://event.nipp.hr/default.aspx?id=46>

Second day: Friday, September 28, 2018

Location: University of Zagreb, Faculty of Geodesy, Kačićeva 26, Zagreb

9:00–9:30 Registration

9:30–10:00 Keynote Lecture

Joep Crompvoets: *Disruptive Geo-technologies: A Hype or Hit*

[abstract](#) (.pdf), [presentation](#) (.pdf)

10:00–11:30 Lectures

Željko Bačić: *Geoinformatics Development Perspectives – Challenges for Academic Society*

- [abstract](#) (.pdf), [presentation](#) (.pdf)

Vesna Poslončec Petrić: *BESTSDI Project SDI Curriculum Implementation on Academic Institutions in the Region* - [abstract](#) (.pdf), [presentation](#) (.pdf)

Dražen Tutić: *SDI in Life-long Learning Educational Courses in the Region* - [abstract](#) (.pdf), [presentation](#) (.pdf)

Slobodanka Ključanin: *Introducing New Content to Geodesy Courses at the Faculty of Civil Engineering in Sarajevo* - [abstract](#) (.pdf), [presentation](#) (.pdf)

Snježana Musa, Dario Šakić: *Geoinformatics – A New Study on the University of Mostar as a Platform for Researching Spatial Data Infrastructures* - [abstract](#) (.pdf), [presentation](#) (.pdf)

Emina Hadžić, Milan Gocić, Slobodanka Ključanin: *NatRisk and Spatial Data Infrastructure* - [abstract](#) (.pdf), [presentation](#) (.pdf)

11:30–12:00 Coffee Break

12:00–13:00 ICA CoMP Meeting

Miljenko Lapaine: *ICA Commision on Map Projections – A Short Report* - [presentation](#) (.pdf)

Miljenko Lapaine: *Misunderstanding Map Projections* - [abstract](#) (.pdf), [presentation](#) (.pdf)

Marina Viličić, Miljenko Lapaine: *Map Projection of the Glavač's Map* - [abstract](#) (.pdf), [presentation](#) (.pdf)

Miljenko Lapaine: *Unconventional Cylindrical Projections* - [abstract](#) (.pdf), [presentation](#) (.pdf)

13:00–14:00 Lunch Break

14:00–15:00 Keynote Lectures

Paulo Márcio Leal de Menezes: *Geographical Names – Power, Meaning and Necessities* - [abstract](#) (.pdf), [presentation](#) (.pdf)

Ivana Crljenko: *Croatian Exonyms in World Atlases Published from the 1970s to the Present* - [abstract](#) (.pdf), [presentation](#) (.pdf)

15:00–15:30 Lectures

Joža Horvat: *Towards the Standardization of Geographical Names in Croatian*
- [abstract](#) (.pdf), [presentation](#) (.pdf)

Josip Faričić: *Polyonymy of Geographical Objects – Cultural Wealth and a Cartographic Challenge* - [abstract](#) (.pdf), [presentation](#) (.pdf)

15:30–15:45 Discussion and adoption of the Resolution on the Founding of the Commission for Geographical Names of the Republic of Croatia

[Prijedlog osnivanja Državnog povjerenstva za geografska imena](#)

[Proposal to establish the State Commission on Geographical Names](#)

15:45–16:15 Coffee Break

16:15–18:15 Lectures

Tome Marelić: *Mapping of Adriatic Sea on Portolan Charts: A Cartometric Analysis* - [abstract](#) (.pdf)

Ivan Marić, Ante Šiljeg, Mirko Barada: *Application of Photogrammetry in Documenting Cultural and Historical Heritage – the Example of Fortica Fortress on the Island of Pag* - [abstract](#) (.pdf), [presentation](#) (.pdf)

Ana Kuveždić Divjak: *Narrative Cartographic Representations: Mapping the Spatiotemporal Complexity of Stories* - [abstract](#) (.pdf), [presentation](#) (.pdf)

Blaž Beretin, Slaven Zdilar: *Thematic Maps as a Form of Graphic Presentation of Geopolitical and Geographical Ideas* - [abstract](#) (.pdf), [presentation](#) (.pdf)

Fran Domazetović, Ante Šiljeg, Nina Lončar, Ivan Marić: *Multicriteria GIS Modelling of Terrain Susceptibility to Gully Erosion, using the Example of the Island of Pag* - [abstract](#) (.pdf), [presentation](#) (.pdf)

Robert Župan, Stanislav Frangeš, Adam Vinković, Eleonora Kučić: *Correlation of Roads Hazardous Areas and Traffic Accident Points* - [abstract](#) (.pdf), [presentation](#) (.pdf)

9:30–16:15 Posters

Dalibor Bartoněk: *Possibilities of Solving Big GIS Projects on Desktop Computers* - [abstract](#) (.pdf)

Nikola Belić, Pavle Ferić, Marko Budić: *A Methodology for Making Basic Geological Map at the Scale 1: 50 000* - [abstract](#) (.pdf)

Third day: Saturday, September 29, 2018, Guided Tour

[Guided Tour to](#)

[Kloštar Ivanić and Čazma](#)
